Egg Donor Personal Bio

Why have you decided to become an egg donor? To help other families fulfill their dreams of becoming parents.

What is your current occupation? I am a commercial model.

What are your professional aspirations? I intend to continue my international modeling career for another 5 years.

Describe a typical day in your life. I wake up, work out, get ready for work, and in the evening when I get home, I make dinner and watch a series.

If you could visit anywhere in the world, where would it be and why? Thailand, because I love the exuberant nature there, the simple life, the good food and the culture of the native peoples.

What would you consider your greatest strengths and weaknesses? Strengths: I am super dedicated, I learn quickly, I am not afraid of changes, I like to take care of those I love. Weaknesses: I am anxious and think more about others than myself.

Do you have any special skills or hobbies? For example, do you excel in athletics, art, cooking, musical abilities, etc. I did theater for many years and I loved it. I practice yoga so I have good flexibility. I cook as a hobby and everyone loves my dishes.

Describe what you were like as a child. I have always been very curious, I liked to learn, and I was very passionate about animals. I have always liked to be with friends and play. I am passionate about water and I love swimming.

Who would you consider to be your role model and why? Angelina Jolie, for having an incredible career and being the mother of several children and always contributing to charity.

Describe your favorite memory. The first time I went to The Bund in China. It was my first international trip and I was able to see the difference between the past and the future. I cried a lot, it was a deep moment that marked my life.

Describe your personality and character. I look naive, but I am a super strong woman, who chases what she wants, who is not afraid to take risks. I am always with a smile on my face and ready to make others smile too. I'm communicative, proactive and authentic.

What are your favorite foods? Pasta and pizza

What is your favorite color? Blue

What is your favorite place? Praia do Joa in Brazil. It's a beautiful place!

What have been your best achievements as an adult? Having traveled to numerous countries and becoming fluent in English and Spanish.

What are your future goals? I want to keep traveling the world and doing commercial campaigns for another 5 years. Then, I would like to study psychology and get married and have children.

What steps have you taken towards them? I have already lived in 4 different countries and am looking for the next one.

What is your philosophy on life? If not now, then when?

What kind of support do you expect from your spouse/partner, family, friends and co-workers during the egg donation process? Overall, my family and friends are very supportive and have always backed me up in all my decisions.

What do you like to do in your free time? Travel, watch series, sleep, read and learn about astrology.

What are your biggest passions in life? Astrology, travel and food.

What were/are your favorite classes in school? Mathematics.

What were/are your least favorite classes in school? Arts.

Please leave a message to the intended parents. I would love to help you, I am sure that we will all be very happy with our choices and you will be able to create a beautiful family. Thank you very much for this opportunity and I wish you all the best!
