## Egg Donation Experience:

Why do you want to be an egg donor?	I am in the medical field and studying medicine. I would love to help create a healthy family by donating my eggs to those who need it.
Do you want an anonymous or known donation?	Anonymous or known
Being a donor is a big responsibility. It requires going to several doctor's appointments, taking injections and having minor out-patient surgery. Do you feel prepared to commit to this process?	Yes, I am committed to helping.
If you could pass a message to the intended parents receiving your eggs, what would it be?	I hope they can be a home with warmth, joy and good education. I hope that the day of birth is a milestone of happiness and celebrations, that the child receives affection, that they feel important at each stage of life, that they feel supported in their decisions.
Please describe your egg donation experience:	N/A
