Student at university

Have you ever done plastic surgery before? Please Describe.

NO

Education

The highest level of education completed?

Graduate Degree

Name of the university you have attended or graduated? what is your GPA

HEC Montréal . QS 91

What is your major?

Business management

What languages do you speak other than your mother tongue?

French, English

Character/Personality

What are your hobbies?

In my free time, I love staying active and social by traveling, trying new foods and spending time with friends and family. I enjoy sports like running, hiking and yoga, which help me feel energized and balanced. At the same time, I also appreciate quieter moments like reading and relaxing to recharge. I have a creative side and enjoy writing, sewing and exploring different cultures. I like keeping a good balance between staying active, connecting with people, and taking time for myself.

Describe your athletic abilities:

I'm strong, active, and consistent with my fitness routine. I go to the gym at least five days a week, focusing on strength training and conditioning. On other days, I stay active with cardio like running, hiking, dancing, or swimming. I also walk every day to keep my body moving. I have good endurance, flexibility, and coordination, and I love pushing myself to improve while keeping a healthy balance.

How do you spend your free time?

In my free time, I love staying active and social by traveling, trying new foods and spending time with friends and family. I enjoy sports like running, hiking and yoga, which help me feel energized and balanced. At the same time, I also appreciate quieter moments like reading and relaxing to recharge. I have a creative side and enjoy writing, sewing and exploring different cultures. I like keeping a good balance between staying active, connecting with people, and taking time for myself.

Why do you want to become an egg donor?

I want to become an egg donor because I love the idea of helping someone start a family. Parenthood is such a meaningful journey, and if I can play a small role in making that possible for someone who is struggling, it feels like a truly special opportunity to give.

Do you have musical talents? If any, please list.

I play piano sometimes.

Do you have artistic abilities? If any, please list.

I can draw and write pretty good. I also do some sewing, I have a creative mind.

Are you married?

NO

If you had the opportunity to send a message to the parents, what would it be?

I just want to say how truly honored I am to be part of your journey. I can only imagine how much love and hope you have for this process, and it's so special to play even a small role in helping you build your family. I'm sending you all my best wishes for a future filled with love, joy, and everything you've been dreaming of. You deserve this beautiful moment, and I hope it brings you endless happiness. 🧡

Do you exercise? If so, how frequently per week?

I go to the gym 5-6x a week and on my rest days i try to stay active by doing some yoga, running, hiking or swimming. I also walk everyday.

Describe your personality.

I'd describe myself as a motivated, social, curious and resilient person. I adapt quickly to new situations and challenges, always looking for solutions rather than dwelling on problems. I have a strong sense of humor, which helps me connect with people and stay positive even in tough situations. I care about others and I would say I am an empathetic person. I am always there to listen, support and uplift the people around me. I value strong relationships and believe that kindness and understanding go a long way.
